From the 6<sup>th</sup> to 11<sup>th</sup> of October, the 12<sup>th</sup> formation session, organized jointly by RELEM and ASSEDIL (Association of Directors of Lasallian Educational Institutions), will take place in the Casa Generalizia. Around 50 people responsible for Educational Centres in all the Districts of RELEM will have the opportunity, despite inevitable linguistic challenges, to meet together and learn about our Casa Generalizia, to share their experiences as Directors/Administrators and, in this way, to network with other Centres in the Region and experience the international dimension of the Lasallian Institute and its mission that obviously transcends any local situations.
